Ratan N Tata
Chairman

Dear Dr. Dhas,

Thank you for your letter of December 12th and for the information on the Mother Teresa Charitable Trust (MTCT) and Mother Teresa Forum (MTF).

I appreciate your forwarding me the suggestion made by Dr. Sivathanu Pillai for the Tata Group as part of its corporate social responsibility, together with MTCT & MTF, to consider taking up the project of light weight calipers which would be useful to those affected by polio in our country.

Through a copy of this letter I am requesting Mr. Kishor A. Chaukar, Chairman, Tata Council for Community Initiatives, to get in touch with you for discussions in this regard. Mr. Chaukar, will thereafter let you know directly if it would be possible for the Tata Group to consider your request.

With regards,

Yours sincerely,
